The Fine Line of Sappi Papers

Our Products

We engineer our products to meet specific user needs, but there are several attributes you'll get from every piece of Sappi paper:

- Superior quality
- High-grade fiber
- Smooth printing surface
- Consistent press performance
- Dependability in the toughest printing environments
- Superior ink hold-out for full color intensity
- Uniform color reproduction
- Side-to-side consistency
- Tight variability tolerances
- Made in the USA (McCoy, Opus, Somerset and Flo)

Pioneering Research and Innovation

At Sappi, our passion for paper can be traced back over 150 years and is what guides us today. Our history of industry firsts includes the first paper coated and calendered on two sides, the first dull coated paper and the first mill branded paper. Our innovative spirit is also demonstrated in initiatives like the eQ Journal and Ideas that Matter program, which provide thought leadership for the entire paper industry.

Sustainability

When you commit to a print campaign, you should be confident in your paper company's approach to sustainability. That's why we take a holistic view of our environmental responsibilities—from harvest through manufacturing, distribution, end use and disposal. From beginning to end, we infuse environmental and social responsibility into our paper, processes and people in order to give you one less thing to worry about.

For product-specific environmental information, go to www.sappi.com/paper-stock-products.

Best-in-Class Service

We go way beyond technical specifications to help you choose the right paper for your brand and campaign needs. And once you're on press, our trusted printer technical support team stands ready to make sure your project turns out just right.
